

<b>Type</b>	■ Switches
<b>Product type</b>	■ Saia Submini Micro switch
<b>Dimensions</b>	■ 20 x 6.45 x 38.3 mm
<b>Characteristics</b>	<ul style="list-style-type: none"> <li>■ panel cut-out Ø 6.1 mm</li> <li>■ for use with V4N/V4NC series</li> <li>■ long overtravel up to 5 mm</li> <li>■ simple clip-on attachment</li> <li>■ round or square bezels</li> <li>■ push button (optional)</li> </ul>
<b>Rating</b>	■ 250 VAC, 5 A
<b>Actuators</b>	<ul style="list-style-type: none"> <li>■ stainless steel plunger</li> <li>■ polyamide (PA 6.6) plunger</li> </ul>
<b>Approvals/Quality</b>	<ul style="list-style-type: none"> <li>■ UL</li> <li>■ CSA</li> </ul>

## Typical markets

business machines , building automation & security , industrial equipment & automation , transportation , distribution

## Typical applications

postal equipments , alarm devices , industrial automations , specialist vehicles , international catalog distributors

## Preferred range

Partnumber	Terminal	Actuator	Electrical rating @	
			ENEC	UL/CSA
