

Type	■ Switches
Product type	■ th-contact Push Button panel switch
Dimensions	■ Ø 18 mm ■ Ø 25 mm
Characteristics	■ panel cut-out Ø 16.2/22.5 mm ■ momentary short stroke switch ■ sealed IP65 or IP67 ■ round metal bezels ■ NO ■ snap-in mounting option Ø 22.5 mm (IP65 only)
Rating	■ 50 VAC/VDC, 50 mA
Actuators	■ button and housing in different colours
Approvals/Quality	■ none

Typical markets

distribution , building automation & security

Typical applications

value added distribution partners , international catalog distributors , elevators, lifts

Preferred range
